

Title: How to book easily through our members section...(Web and mobile Web)

Dear member client of Lowcostparking.es,

through this email we are glad to announce you about our new web site, its changes and more important about our new mobile Web, where you will be able to book your next transfers easily though your mobile (or tablet), or as always through your computer. Remember that shortly, this will be the only way to register your next parking movements. Forget about the "old way" of sending us an e-mail because they will not be accepted further than 1st May 2017, or only in case our system doesn't enable you to do it through the brand new members section.

We think it is easier for you, easier for us all! Please follow the following tips, and surely you'll manage to make it properly. We did our best to make it easy for everyone. Any doubt don't hesitate to contact us by E-mail.

Besides your bookings you can ask for another services we are offering like VIP Valet, Car washes, Mechanical repairs, Pre-I.T.V & I.T.V., Refueling, etc.

You have to login with the email you have used in the booking you made with your contract (not any other e-mail you may have used to contact us) and check on the **I am not a robot** box (we are obliged by our Anti-spam filters to do this, sorry):

Access members booking

The desktop version of the login form features a grey input field containing the email address 'jjmonyino@gmail.com', which is highlighted with a red rectangular box. Below the input field is a reCAPTCHA widget with a green checkmark icon and the text 'No soy un robot'. To the right of the reCAPTCHA is the reCAPTCHA logo and the text 'reCAPTCHA Privacidad - Condiciones'. At the bottom of the form is a large, rounded green button with the text 'Log In' in white.

The mobile version of the login form is displayed on a smartphone screen. At the top, the status bar shows signal strength, Wi-Fi, 68% battery, and the time 20:49. Below the status bar is the 'Lowcostparking.es' logo and a user profile icon. A blue navigation bar contains the text 'ALICANTE' with a dropdown arrow. Below the navigation bar is a section titled '> Members' with a description: 'If you are a member, you will enjoy great benefits. Reduced fares, booking facilities. You only have to choose: 6 months, one year or two years subscription.' Below this is a link 'Access members booking'. The login form itself is identical to the desktop version, with the email 'jjmonyino@gmail.com' in a grey field (highlighted with a red box), a reCAPTCHA widget with a green checkmark and 'No soy un robot' text, and a green 'Log In' button at the bottom.

Select dates and times if you are dropping the car off, picking it up or both movements. If you only have booked a flight and only have 1 movement, just leave the other calendar empty.
